Hi there!

Kenny here... kingfisher, powerline fan and official spokesbird of Entrust.

I'm writing to check that everything's set up perfectly for you to receive your dividend payment later in the year. We plan to pay one to everyone whose name is on a power bill in the Entrust district – last year we paid over \$100 million to more than 320,000 Aucklanders.

That's a big job! So if you can help by checking your details on the form that came with this letter, I'll be the happiest kōtare this side of the Ellerslie substation.

If anything needs changing, or you want to change the way your dividend is paid, you'll need to get onto it ASAP. If everything is correct, relax!

While you're here, see over the page to find out more about Entrust... we're here for you!

Gotta fly...

Kenny

common questions we hear from
Entrust beneficiaries.*

Entrust is all about doing a power of good for Aucklanders. So, later this year we're paying our 320,000+ beneficiaries a share of the dividend we receive for owning most of Vector. You can help make sure your money gets where it's meant to by taking a minute to check your details. Thanks!

GET SET FOR YOUR ENTRUST DIVIDEND

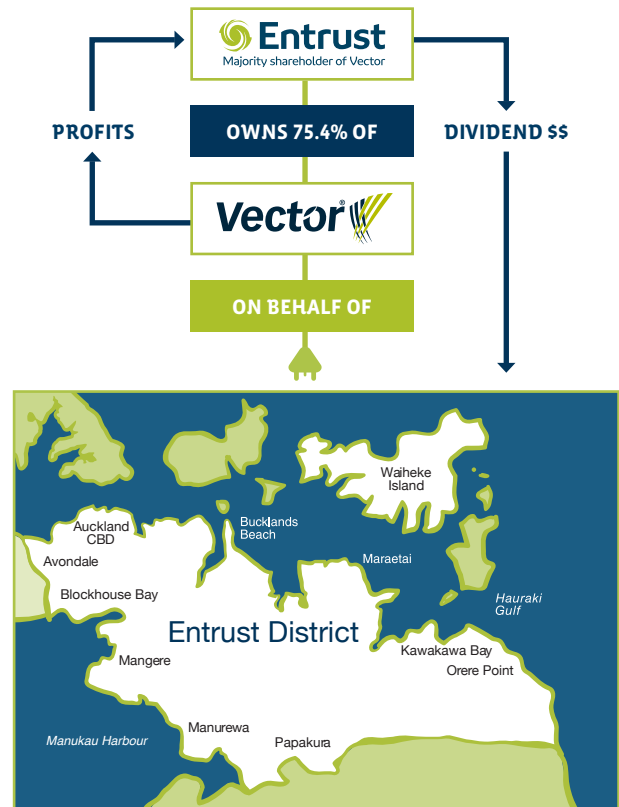

Is the payment method (direct credit to bank, power bill credit or cheque) what you want? **Follow the instructions on the form if it isn't.**

For cheque payment the name on the form must match your bank account name. **If it doesn't, please get it fixed with your electricity retailer.**

Everything good? **You're done!**

HOW IT ALL WORKS

Entrust owns 75.4% of Vector. When Vector makes a profit we get a share of that and pay you a dividend.

YOUR TRUSTEES

Entrust is a private trust. Your trustees are Paul Hutchison, William Cairns (Chair), James Carmichael, Karen Sherry and Michael Buczkowski (Deputy Chair).

WHO GETS A DIVIDEND?

Everyone in the Entrust district whose name is on a power bill when we put our annual list together. Find out the story behind that at www.entrustnz.co.nz/aboutus
